What have Chris and his team got lined up for members and visitors

**From the Editor:** What a belter of a month July was, glorious weather some great golf days and some even greater results through the month. It started with Mark Maguires Captains day and what a superb day it was over £1000 raised for his charity "SANDS" with a field of 38 it was testament to the great job Mark is doing for the club. The club teams continue to perform well, the Hardy B and Three Counties sides both topping their respective leagues as we get to the

business end of the season.

## July Golfer of the Month

Stand out performances this month included D.Leney winning Captains Day and a RTTV scoring 45 & 43 Stableford points, Uncle Albert and Mike Weston bagging the monthly medals, Tone scoring a 68 whilst Mike bagged a 65 well done chaps. However my man of the month goes to Nige Bow, stays under the radar but had a great month as Captain of the Hardy B side so a sleeve of Pinnacles goes his way, well done Nige.(thanks for the photo Geoff)

## July results

Terry Cotton bagged the Tiger Trophy early in the month with an unusually low score for the competition scoring 35 points. As mentioned previously Mike Weston won the week day medal with a fine net 65, Stu Beardsley sneaked into the winners circle again winning the seniors roll up with 40 points. Julys' RTTV competitions were well spread out, Yoss Hughes, Nathan Lambourne and Dan Leney sharing the spoils, Al smith still leads the competition on \$140,000 form Adrian Tuffin with £131,000. Stu Beardsley leads the Tiger Trophy, yours truly the monthly medal and TC the weekday medal.

**Club Knock Out 2022** The club knock out competitions are running as per schedule all reaching the semi-final stages, ties to be played by 17<sup>th</sup> August for those remaining in the hunt for the title.

**Saturday Roll Ups** All very quiet on the roll up front due to the amount of League matches being played.

**Hardy A** Not so much action in July but August is a busy month for Folkes elite Hardy A boys, three matches are scheduled starting at Moors Valley on Saturday the 6<sup>th</sup> followed by Highcliffe at Folke and then Lyme Regis away.

**Hardy B** Won two lost one for the Hardy B boys in July. A fine 5-0 win at home to Ferndown Forest started the months fixtures this was followed by a narrow and somewhat unlucky 3-2 loss away at Came Down, class was restored the following week with a resounding 5-0 success away at Sturminster Marshall. With one match remaining Folke face a tough away fixture at Highcliffe with a winner takes all outcome to decide the league title. Good luck Boys!

**3Counties** Only one match in July for Lambos' boys, a narrow defeat away at Cannington B 3.5-2.5. Team selection was difficult due to a lack of availability so well done to all that played some valuable away points won in the search for the league title. Two tough away fixtures remain one at Long Sutton this coming Sunday then Wincanton away on the 20<sup>th</sup> August. Good luck!

**Senior Section:** A quiet month for the old boys, must be the heat! Charminster were welcomed on the 12<sup>th</sup> and duly dispatched 5-1. Kevin Tearle got in on the action with a superb 45 points in one of the senior rolls up. The County Card played at Orchardleigh was won with another stunning score of 43 points by Mike Chainey. Plenty of petrol needed for the chainsaw after those performances Mr Handicap Secretary.

**What's happening in August?** Another busy month with plenty of matches are scheduled across all the club sides. I note a DCGU U14's fixture on Monday 22<sup>nd</sup>, well done to the centre on receiving that fixture from the county. Partners evening on Friday 5<sup>th</sup> with a Bar-B-Q after might tempt your fancy.

**In the clubhouse** The clubhouse remains busy please support Chris and his staff, keep them busy. Always available for private functions, speak with Chris if you have an event coming up, I'm sure he will be able to satisfy your needs!

**The Club Weekend Away** All 16 players are now paid up thanks to all for giving it your prompt attention. Question is now, White tees or Yellow? Much conjecture amongst the competitors seeking to gain that extra edge in their pursuit of the Travellers Tankard.
